

Book Review

Reviewer:	<i>Cherry Tainsh</i>
Title:	<i>Travelling light</i>
Author:	<i>Max Lucado</i>
Is there a story behind how you got the book :	<i>A gift from my son and his family when I was baptised. I frequently go back to it</i>
What do you like about the book:	<i>The subtitle is Releasing the burdens you were never intended to bear The promise of Psalm 23 Easy to read and understand, slightly humorous but very much to the point. We often create our own burdens and hang on to them needlessly.</i>
What did you least like about it:	<i>I enjoy all his books but some might find him slightly irritating - after all he is American!</i>
What will be your lasting impression from this book:	<i>I rate this as one of my favourite books. I have recommended it to several people and most of them have agreed with me.</i>
Do you have a quote or two to share from the book:	<i>Trust your faith and not your feelings.....Your feelings have no impact on God's presence. On the days you don't feel close to GOD, trust your faith and not your feelings. Goodness and mercy shall follow you all the days of your life</i>
Would you recommend this book:	<i>Yes</i>
How would you rate this book :	<i>Excellent - 9/10</i>
